

THE GREEN GROUP

Quality Policy Statement

Green Group International Limited

The Green Groups Head Office located in Maltby, South Yorkshire with local motorway network, 1 mile off Junction 1 of the M18 reducing road miles and Carbon Footprint. We offer supply chain solutions which includes logistics, pallet network, international, warehousing and serviced Office facilities offering local companies opportunities to help grow their business and outside storage. Our strong branding as allowed us to become a major logistics provider, Utilising advanced transport and management systems our focus is to deliver a first class service to all of our customers at all times.

It is the policy of the Green Group to:

- give satisfaction to our customers and all other stakeholders, always meeting and wherever possible exceeding their expectations;
- comply with all applicable legal and other requirements to which we subscribe;
- ensure that our management system conforms to the requirements of BS EN ISO 9001:2008 QMS, provides a framework to achieve our objectives and supports other management standards planned and achieved by the business;
- provide all necessary resources, including equipment, infrastructure, training and competent staff to enable our objectives to be met, and
- work in partnership with our suppliers, clients and all other stakeholders to achieve optimum process control and continued planned improvement in the pursuit of business excellence.

Objectives and targets are consistent with the stated aims of this policy. Training will be an integral part of the strategy to achieve our objectives.

The Chief Executive Officer, Managing Director and the team have ensured that this management system policy has been implemented, maintained and is reviewed for continuing suitability at the scheduled management review meetings.

This policy has been communicated to all applicable persons working for and on behalf of Green Group and is available to all external bodies and members of the public upon request.

Peter Osborne
Chief Executive Officer
